*Best-selling author of*

**Sunday, April 24<sup>TH</sup>, 2022 2:30 PM**

Knippenberg Center for Education  
725 Pines Lake Drive West, Wayne, NJ 07470

*Masks Required*

**Douglas W. Tallamy**, a professor in the Department of Entomology and Wildlife Ecology at the University of Delaware, is a renowned expert in plant-animal interactions. The author of 95 research articles, Professor Tallamy has taught Insect Taxonomy, Behavioral Ecology, Humans and Nature, and other courses over a 40-year academic career. He is passionate about helping people create wildlife habitats. Program attendees will walk away with specific suggestions they can incorporate into their own backyards.
