

GreenQuest

## **GREENQUEST NATURE CLUB**

A **free** once-a-month program and activity with an environmental theme for grades 2-6 led by Wayne Hills High student Aadhith Balaji.

**Wednesday, April 26 4-5:30 PM**

“The best friend on Earth of man is the tree.” -Frank Lloyd Wright

In conjunction with Arbor Day, on April 26 students from grades 2-6 are invited to learn about New Jersey’s local tree species and how to conserve and care for trees. Children will also be able to take a guided tour around the Laurelwood Arboretum and explore its tree population in the first installment of GreenQuest Nature Club’s Arboretum series!

Registration opens April 1st at [www.laurelwoodarboretum.org](http://www.laurelwoodarboretum.org). Limited to 20.
