

Floral Design Demonstration

From
"CHOP & DROP"
to
FABULOUS STORE BOUGHT
FLOWER DESIGN

Presented by Gail Bassolino

Wednesday, July 19, 2023

2:00 PM

\$25 Members
\$35 Non-Members

Gone are the days where you buy a mixed bouquet from the store and plo p it in a vase. By using cuttings from your garden and grocery store bought flowers, you can really make a fabulous floral design. Gail will be giving you tips and tricks on where to buy, how to buy and how to arrange store bought flowers as well as cuttings from your garden. She will also be using eco-friendly flower arranging techniques for the floral designs and some unique recycled containers.

Gail is a National Garden Club Accredited Flower Show Judge, President of the Pines Lake Garden Club, a member of a flower arranging guild called FIG (Floral Impressions Guild) and Past Garden Club of New Jersey Flower Show School Chairman (June, 2023). She was honored to be asked to judge the Philadelphia Flower Show this past March. Her judging assignment was Petite Design.

ALL ARRANGEMENTS WILL BE GIVEN AS DOOR PRIZES
