

GreenQuest

## **GREENQUEST NATURE CLUB**

A **free** once-a-month environmental themed program and activity for grades 2-6 led by Wayne Hills High student Aadhithyaram Balaji.

**Thursday, July 20 7-8:30 PM**

On July 20th, students from grades 2-6 are invited to spend an evening with Laurelwood's fireflies and learn about their role in our ecosystem and threats to their species. Children will also be able to take a walk around Laurelwood Arboretum and watch the natural light show in this next installment of GreenQuest Nature Club's Arboretum series!
