

**Presentations to help gardeners create
ecological gardens that sustain birds,
butterflies, bees, and other insects**

Gardening for Nature

4/13, 1 PM Attracting Hummingbirds to Your Garden. Join Master Gardener and hummingbird expert Kathy Sauerborn as she discusses plants to attract hummingbirds for both sun & shade and the proper use and placement of feeders. On site. \$10 members/\$20 nonmembers

5/18, 11:30 AM Native Habitat Garden Tour. Learn about the plants in Laurelwood's newest garden and their value to the ecosystem. Free, on site.

6/13, 7 PM Breaking the Rules: Ecological Landscape Design. Join 2024 Great American Gardeners award recipient and noted author **Larry Weaner**. Examine how alternative approaches can yield more easily maintained gardens that express the beauty and ecological richness of our native landscapes. Zoom. \$10 members/\$20 nonmembers

6/19, 6:30 PM From Buzz to Chirps and Flashes: Creating a Garden Paradise for Pollinators. Members only, new members welcome. Native Plant Channel creator Lourdes Osorio will discuss native plants that will make your garden buzz with life. On site. Member meet & greet to follow.

8/6, 6:30 PM Rethinking the Lawn. Elaine Silverstein, garden designer and a Vice President of the Native Plant Society of NJ, will show homeowners how to manage their property in ways that are cleaner, greener, and less expensive. On site. \$10 members/\$20 nonmembers
