

Breathing Room

The art of Elisabeth Ladwig

Elisabeth Ladwig's solo exhibition embraces the idea of "Breathing Room" as a guilt-free way of life. This joyful show features artworks that touch on themes of slower living, connection, thoughtful observation, and the purposeful crafting of one's time on Earth. Through a collection of Nature-inspired works, the viewer is encouraged to equate one's bottom line with one's well-being as a priceless contribution to humanity.

Opening Reception

Sunday, October 6, 2024 - 2:30 PM

Elisabeth Ladwig is an award-winning photographic artist exploring modern surrealism. Similar to collage, she cuts and pastes her original photographs, digitally blending them for seamless, magical scenes. This process allows her to create metaphorical reminders of everyday miracles and of humanity's roots as kin of the Earth. With a nod to Mother Nature and her fairytale existence, Elisabeth seeks equal beauty in the storm as in the sunrise.
